

Memory game

Materials:

- Printer
- Glue
- Construction paper
- Scissors
- Pencil crayons or markers (optional)

Steps:

1. Print out two copies of the document « Memory game ».
2. Glue the construction paper to the blank side of the document.
3. Cut out each square individually.
4. Colour each drawing (optional).
5. Mix the cards.
6. Turn each card face down on a table or on the floor.

The game:

- Each player takes a turn to flip two cards to find an identical pair.
 - If a player finds an identical pair, they keep the cards until the end of the game.
 - If the player doesn't flip two identical cards, the game goes on; It's the next players turn.
- Be observant during your opponent's turn! You can spot cards and find identical pairs during your turn.

The winner:

When there are no more cards to flip, count your cards! The player with the most cards wins the game!
